SUPPLEMENTAL FILE 1: GERMANY'S INTERNATIONAL COMMITMENTS TOWARDS SEXUAL, REPRODUCTIVE, MATERNAL, NEWBORN AND CHILD HEALTH

Meeting name and date	**Declaration**
Maternal, Newborn and Child Health Muskoka Initiative June 2010	From Germany, France, Italy, UK, USA, Russia: "G-8 countries commit to mobilize $5 billion of additional funding over the next five years towards maternal, newborn and child health, in addition to $4.1 billion that G-8 members already contribute annually. It is anticipated that the Initiative will mobilize significantly more than the $10 billion over the period 2010-2015. Global Strategy for Women's and Children's Health – Germany 2010 and 2012 commitments 2010 MDG Summit September 2010	From Germany: In 2010, Germany began developing a new initiative on Voluntary Family Planning with resources to be made available for family planning and reproductive health and rights as part of Germany's ongoing annual commitment in the area of mother and child health of 300m euros per year and Germany's commitment made in June at Muskoka of an additional €400 million until 2015. At the 2012 London Family Planning Summit Germany committed €400 million (US $491.6 million) to reproductive health and family planning over four years, of which 25% (€100 million or US $122.29 million) was dedicated directly towards family planning, depending on partner countries' priorities. *Source: http://iif.un.org/content/global-strategy-womens-and-childrens-health-germany-2010-and-2012-commitments*
G-7 Brussels Summit- the Muskoka Initiative on maternal, newborn and child health commitment June 2014	From Germany, Canada, France, Italy, Japan, United Kingdom, USA : "We remain committed to the Muskoka Initiative on maternal, newborn and child health, and welcome the call made at the Saving Every Woman, Every Child Summit in Toronto to accelerate progress on this global priority. In addition we are committed to ensuring sexual and reproductive health and reproductive rights, and ending child, early and forced marriage and female genital mutilation and other harmful practices. The health and well-being of women and children are improved through ensuring universal access to affordable, quality, essential health services, strengthening health, education and child protection systems and improving nutrition and access to]immunisation. […]" *Source: http://iif.un.org/content/g-7-brussels-summit-muskoka-initiative-maternal-newborn-and-child-health-commitment*
G-7 Elmau Summit June 2015	Germany reaffirmed its continuous commitment role as a partner for achieving these goals, indicating that it would continue to make at least 380 million euros a year available in the future.
