

Correction: *Epidemiology of multimorbidity in conditions of extreme poverty: a population-based study of older adults in rural Burkina Faso*

Odland ML, Payne C, Witham MD, *et al.* Epidemiology of multimorbidity in conditions of extreme poverty: a population-based study of older adults in rural Burkina Faso. *BMJ Global Health* 2020;5: e002096.

In the published version, part of the sampling scheme was misrepresented due to a confusion over versions of the study protocol. The original text read:

In all villages with fewer than 90 adults aged over 40, all adults were selected to take part.

This should in fact have read:

In all villages (n=6) with fewer than 50 adults aged over 40, all adults were selected to take part.
