

Appendix 2. Table of excluded studies

Study	Reasons for exclusion
Studies excluded from systematic search	
Abayomi 2021	1. Does not describe public participation
Abelson 2022	5. Stub
Abubakar 2021	1. Does not describe public participation
Adebisi 2021	1. Does not describe public participation
Adell 2021	2. Not about infection prevention and control measures
Afolabi 2021	1. Does not describe public participation
Agrawal 2021	1. Does not describe public participation
Ahn 2020	1. Does not describe public participation
Aiello 2022	1. Does not describe public participation
Aijaz 2021	1. Does not describe public participation
Ali 2022	1. Does not describe public participation
Alizadeh 2020	1. Does not describe public participation
Allen 2020	5. Stub
Andion 2020	2. Not about infection prevention and control measures
Andrasik 2021	1. Does not describe public participation
Anoko 2020	1. Does not describe public participation
Anonymous 2021	1. Does not describe public participation
Anonymous 2022	1. Does not describe public participation
Artelle 2020	5. Stub
Arunga 2021	1. Does not describe public participation
Ash 2022	1. Does not describe public participation
Atencio 2022	4. Not about COVID
Augsberger 2022	1. Does not describe public participation
AuYoung 2022	1. Does not describe public participation
Azevedo 2022	1. Does not describe public participation
Babcock 2021	5. Stub
Bakibinga-Gaswaga 2020	1. Does not describe public participation
Balasuriya 2021	1. Does not describe public participation
Ballard 2020	1. Does not describe public participation
Banerjee 2021	2. Not about infection prevention and control measures
Banerjee 2021	retracted article
Bangura 2020	1. Does not describe public participation
Banks 2021	1. Does not describe public participation
Barberia 2021	1. Does not describe public participation
Bekker 2020	1. Does not describe public participation
Bellows 2020	1. Does not describe public participation
Benimana 2021	1. Does not describe public participation
Benton 2022	1. Does not describe public participation
Bhaloo 2021	1. Does not describe public participation
Bhatia 2021	1. Does not describe public participation
BispoJunior 2020	1. Does not describe public participation

Bittle 2022	2. Not about infection prevention and control measures
BlayBenzaken 2022	2. Not about infection prevention and control measures
Blum 2020	1. Does not describe public participation
Bocayuva 2022	1. Does not describe public participation
Bologna 2021	1. Does not describe public participation
Boogaard 2022	1. Does not describe public participation
Borbath 2021	1. Does not describe public participation
Bruno 2021	1. Does not describe public participation
Busse 2022	1. Does not describe public participation
Campbell-Scherer 2021	1. Does not describe public participation
Cao 2020	1. Does not describe public participation
Carson 2020	1. Does not describe public participation
Carson 2021	1. Does not describe public participation
Carter 2022	1. Does not describe public participation
Casillas 2022	5. Stub
Cattapan 2020	1. Does not describe public participation
Chan 2021	1. Does not describe public participation
Chan 2022	1. Does not describe public participation
Chathukulam 2021	1. Does not describe public participation
Cheetham 2022	2. Not about infection prevention and control measures
Child 2021	1. Does not describe public participation
Chowdhury 2020	1. Does not describe public participation
Chute 2022	1. Does not describe public participation
Chwalisz 2021	1. Does not describe public participation
Ciaranello 2021	1. Does not describe public participation
Corpuz 2021	1. Does not describe public participation
Costantini 2022	4. Not about COVID
Crawshaw 2021	5. Stub
Cuen 2022	1. Does not describe public participation
Dagens 2020	1. Does not describe public participation
D'Ambruoso 2021	1. Does not describe public participation
Datta 2022	5. Stub
denBroeder 2022	1. Does not describe public participation
Dentico 2021	1. Does not describe public participation
DiSantostefano 2021	1. Does not describe public participation
Eder 2021	1. Does not describe public participation
Ehmann 2021	1. Does not describe public participation
Eke 2021	1. Does not describe public participation
Ekzayez 2020	1. Does not describe public participation
Enria 2021	1. Does not describe public participation
Epps 2021	1. Does not describe public participation
Etowa 2021	1. Does not describe public participation
Firdaus 2020	1. Does not describe public participation
Francoise 2022	1. Does not describe public participation
Fredriksson 2022	1. Does not describe public participation

Fu 2022	1. Does not describe public participation
Gagnon-Dufresne 2022	1. Does not describe public participation
Galegher 2022	2. Not about infection prevention and control measures
Geraldine 2021	5. Stub
Gesser-Edelsburg 2021	1. Does not describe public participation
Ghafournia 2022	1. Does not describe public participation
Godinho 2021	1. Does not describe public participation
Gonah 2020	1. Does not describe public participation
GrupodetrabajoenSaludComunitaria 2020	1. Does not describe public participation
Haidar 2021	1. Does not describe public participation
Haqbeen 2020	1. Does not describe public participation
Harvard 2021	1. Does not describe public participation
Hattke 2020	1. Does not describe public participation
He 2022	1. Does not describe public participation
Holt 2021	1. Does not describe public participation
Homolova 2021	1. Does not describe public participation
Hoover 2021	1. Does not describe public participation
Hsieh 2021	1. Does not describe public participation
Hu 2020	1. Does not describe public participation
Huang 2020	1. Does not describe public participation
Iglesias 2020	1. Does not describe public participation
Ihekweazu 2022	1. Does not describe public participation
Jimenez 2021	1. Does not describe public participation
Jimenez 2022	1. Does not describe public participation
Johnson 2020	1. Does not describe public participation
Joseph 2021	1. Does not describe public participation
Jowett 2021	1. Does not describe public participation
JuanCamilo 2021	5. Stub
Kabwama 2022	1. Does not describe public participation
Kader 2021	1. Does not describe public participation
Kamaka 2021	1. Does not describe public participation
Kanamori 2021	1. Does not describe public participation
Kassen 2021	4. Not about COVID
Kaur 2020	2. Not about infection prevention and control measures
Kaur 2021	5. Stub
Kavanagh 2020	1. Does not describe public participation
Kemper 2021	1. Does not describe public participation
Khair 2021	1. Does not describe public participation
Khan 2021	1. Does not describe public participation
Kline 2021	2. Not about infection prevention and control measures
Klingler-Vidra 2021	1. Does not describe public participation
Kohek 2021	1. Does not describe public participation
Kohler 2022	1. Does not describe public participation
Kruse 2022	1. Does not describe public participation

Kung 2022	1. Does not describe public participation
KwanJin 2022	4. Not about COVID
Labosier 2020	1. Does not describe public participation
Laochankham 2021	1. Does not describe public participation
Latief 2021	1. Does not describe public participation
Le 2021	2. Not about infection prevention and control measures
Leburu 2022	1. Does not describe public participation
Lee 2020	1. Does not describe public participation
Lee 2020	1. Does not describe public participation
Lee 2021	1. Does not describe public participation
Lee 2022	5. Stub
Legare 2022	4. Not about COVID
Liao 2020	1. Does not describe public participation
Liebman 2021	1. Does not describe public participation
Liu 2021	1. Does not describe public participation
Llewellyn 2022	5. Stub
Lockyer 2022	1. Does not describe public participation
Loewenson 2021	1. Does not describe public participation
Long 2022	1. Does not describe public participation
Love 2020	2. Not about infection prevention and control measures
Maiden 2022	1. Does not describe public participation
MaradiagaPanayotti 2021	1. Does not describe public participation
McCollum 2022	1. Does not describe public participation
McCollum 2022	1. Does not describe public participation
McEachan 2020	2. Not about infection prevention and control measures
McElfish 2020	1. Does not describe public participation
McElfish 2021	3. Only informing the public
McKee 2022	1. Does not describe public participation
Michener 2020	1. Does not describe public participation
Milz 2021	1. Does not describe public participation
Mitrovic 2021	1. Does not describe public participation
Moon 2020	1. Does not describe public participation
Moon 2022	1. Does not describe public participation
Moon 2022	1. Does not describe public participation
Morey 2022	1. Does not describe public participation
Morgan 2022	1. Does not describe public participation
Mouter 2021	1. Does not describe public participation
