

Supplementary table 3: Mean and standard deviation for WHODAS 2.0 domain and total scores by indirect maternal morbidity status at the 6th and 12th week of postpartum period in Northwest Ethiopia, 2021.

6 th week postpartum	Maternal morbidities							
	Any indirect morbidity		Respiratory and Infectious diseases ^a		Preexisting diseases before pregnancy ^b		Other maternal diseases ^c	
	Yes	No	Yes	No	Yes	No	Yes	No
WHODAS 2.0 domains
