

Seye Abimbola

I am a member of the Advisory Council of Global Health 50/50 – an advocacy NGO set up to achieve equity in the leadership of global health organizations. I am a member of the Governing Board of Global Health Security Network (GHSN) – a multidisciplinary professional association of academic and practitioners involved in global health security. I am on the Board of Directors of iDinsight, an international development organization involved in providing advisory, data analytics, and research support to decision-makers globally. I am also on the Editorial Board of PLOS Global Public Health – a global health journal with a similar remit to BMJ Global Health.
